March 19, 2014

Dear Mayors, Reeves and Councillors:

RE: April 28 - National Day of Mourning

On April 28th, people across Canada stop to remember workers killed, injured or disabled at work.

In 2013, Alberta lost 188 workers to workplace injury or illness.

The loss is felt by everyone, which is why we have developed a memorial poster (enclosed) in recognition of the day. This poster will appear at workplaces, public places and in ceremonies across the province as a remembrance and a tribute to the workers killed or injured on the job.

We have also included a small vinyl sticker to provide a tangible reminder to Albertans of the significance of April 28th. If you are interested in distributing them to visitors, we would be happy to provide you with a supply.

We ask that you display the poster and use it in any events marking Day of Mourning.

If you have any questions, need stickers or additional posters, please contact Dina DaSilva, WCB Corporate Communications at 780-498-8616 or dina.dasilva@wcb.ab.ca.

We will be lowering our flags to half-mast on April 28th; we invite you to mark this important day by doing the same.

Respectfully.

Dayna Therien

Director of Corporate Communications,

WCB-Alberta

Encl.

In memory of the 188 Alberta workers who died from workplace injury or illness in 2013. # 1.2
